CHEERLEADERS

Being a cheerleader is a matter of enunciating clearly while screaming at the top of your lungs. It means hours of practice, tired muscles, and tremendous self discipline. When you lose a game it is really rough knowing you can't switch sides, but who wants to change anyway? Not the hardworking cheerleaders at LHS.

WE GIVE AWAY OUR MOST IMPORTANT PRODUCT...

...SERVICE

You can't put a price tag on service, yet it's one of the most important aspects of any purchase. Service is so many things. . . .people listening, checking and re-checking, professionals doing what they know best.

We don't charge extra for service because we feel that your order, no matter how small or large, deserves our best effort. You can't **see** service, but when you see our work, you'll know that service has been included, at no additional cost.
